**INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. 1.97(b)**

Assistant Commissioner for Patents

Washington, D.C. 20231

Sir:

This disclosure statement under 37 CFR 1.97 & 1.98 is submitted before the first Office Action in order that the Patent and Trademark Office may consider the relevancy of certain information to the invention described and claimed in the subject application, and in compliance with the regulations concerning information disclosure statements. Enclosed are copies of the following:

- a) documents described in the above-identified application and an English language translation, listed on the attached Form PTO 1449,

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on 8/13/2002

Date

Richard E.L. Henderson, Reg. No. 31,619

Name of applicant, assignee or

Registered Representative

Richard E.L. Henderson

Signature

- b) the Search Reports received in the corresponding application pending in the Europe Patent Office and an English language translation thereof; and
- c) the documents cited by the Europe Patent Office in the Search Reports (except for the documents being submitted) listed on the attached Form PTO-1449.

This Information Disclosure Statement should not be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, that any reference mentioned herein constitutes prior art, or that the references listed, severally or in any combination with one another or with any other information, are believed to render any claim in the subject application prima facie unpatentable.

Respectfully submitted,

By Richard E.L. Henderson
